In order to assist with lunch arrangements and to enable us to provide sufficient seating in the hall, I would be grateful if you would telephone the school no later than **6th July** to let us know if you will be joining us, and if your child will be travelling home with you.

Please note that the school is a non-smoking site.

We appreciate the need to capture the moment of your child's successes, however, we ask that when taking photos that we consider taking pictures of other children and adults without prior permission. We will have official photographers on site taking a number of images, and you are more than welcome to request copies, free of charge after the event.

I do hope that you will join us at this special event to mark your child's journey, chat with staff and your Parent Governor, and enjoy the areas of interest. The staff team and I look forward to seeing you on the 20th July.

Yours sincerely
